5. Additional Disclaimers - Without limiting the generality of any other disclaimer or limitation of warranty set forth in this offer, we specifically disclaim all warranties and representations with respect to: (i) compliance of the products sold hereunder with any governmental regulations concerning flammability; (ii) fastness of color, consistency of shade in different dye batches, consistency of dye in different materials, breaking strength, shrinkage or yield; (iii) results and appearances due to mixture by you of fabric pieces; and (iv) the likelihood that handling of products provided hereunder will result in adverse medical conditions.

Without limiting the generality of the foregoing, we specifically disclaim any liability for penalties (including administrative penalties), special or punitive damages, damages for lost profits or revenues, loss of use of products or any associated equipment, cost of capital, facilities or services, downtime, shutdown costs, spoilage of material, or for any other types of economic loss.
7. **Materials** - Unless otherwise agreed by the parties in writing, Seller shall be responsible for obtaining the materials, components, and services required by Seller to deliver the Products. Seller shall not be in breach of any of its obligations hereunder or be liable to Buyer as a result of any failure by a component or material supplier to perform its obligations, including without limitation prompt delivery of materials and/or failure of the components or materials to meet any required specifications.

8. **Claims** - No rejection or claims will be accepted or allowed with respect to goods that have been processed by third parties subsequent to delivery by us. No rejections or claims will be accepted for any reason if presented after ninety (90) days from the date of delivery. Under no circumstances may goods be returned to our plant without written or verbal approval by our authorized representative. No goods will be accepted back without an R.G.A. number on the package. Any goods processed for you under the terms of this Price Confirmation and your order for finishing services, which you may claim do not comply herewith, must be tendered to us promptly, in the same condition as when delivered to you, with full opportunity for our inspection by us. If you should fail to make such tender to us of the goods or fail to give us such an opportunity for inspection, you shall not be entitled to make or have any deduction, allowance, claim or cause of action, based upon or relating to your order for such finishing services. Goods properly tendered and offered to us, which, in our opinion, have not been finished and delivered in compliance with this order for finishing services, may, at our option be replaced or redelivered by us, in whole or in part within a reasonable time with the same or other goods which comply herewith. If the goods cannot be reprocessed or replaced, as herein provided, then our responsibility for losses, if any, caused by us is limited to the cost of the actual yardage improperly processed, or the market value thereof at the time of delivery, whichever may be the lower, and does not include losses from broken assortments, profits or other consequential or contingent losses.

9. **Changes and Cancellation** - All changes or cancellation of orders must be complete, specific, in writing, and acknowledged in writing by us. Buyer may not make or request changes to the finishing services to be provided, reduce quantities ordered, alter the quantities of scheduled individual shipments, or shorten or extend the shipping schedule without Seller’s prior consent. In the event Supplier consents to any of the foregoing, or if increases in raw material or labor costs negate acceptable profit for Supplier, then Seller reserves the right to make any revision in prices on any unshipped balance of Buyer’s order by giving Buyer prompt written notice of the revision in price. The revision will be effective upon notice to Buyer unless Buyer by written notice refuses such price revision within 10 days of receipt of notice of revision. If Buyer refuses Seller’s price revision, Seller shall have the option of canceling without liability that portion of Buyer’s order to which the price revision is applicable, or of completing Buyer’s order at the original price and subject to the original terms quoted for the order. Buyer may cancel an order, in whole or in part, only if Buyer makes payment to Seller to indemnify it against all losses and liabilities associated with the cancellation, including without limitation expenses incurred and commitments made by Seller.

10. **Force Majeure** - We shall incur no liability under this Price Confirmation or any order or contract based thereon for failure to perform resulting directly or indirectly from fire, explosion, floods, lockouts, strikes, riots, civil commotion, defense or war activities of the United States or any state thereof or of enemies, acts of God, the public enemy, Government regulation, differences with workmen, inability to obtain necessary supplies or any cause beyond our control, whether or not similar to the foregoing. To the extent we deem practicable, we will prorate deliveries among our customers. We will use our best effort to make prompt delivery but we accept no responsibility for delivery delay for any reason. Deliveries of goods will be deemed to have been completed when invoices are rendered showing merchandise in open stock, stored in cases, or ready for shipment, as the case may be. However, this or any other agreement fixing the time of delivery shall not affect or operate as a waiver of our lien provided for herein.

11. **Lien** - In addition to, and not in derogation of any other right, remedy or lien given by law, it is agreed that we shall have a lien on, and may hold, all goods (finished, unfinished or in process) in our possession or control at any time, as security for the payment of any and all obligations due or coming due to us. All goods delivered to us and in our possession may be held by us pending the payment of all balances due on behalf of the owner of said goods. The acceptance of a note, bill, acceptance or additional security, shall not constitute a waiver of our prior general lien. Any goods so retained by us may be sold by us at a public or private sale, with or without notice to you, after thirty (30) days from the date when demand for payment has been made. The proceeds from such sale, after first deducting the cost and charges of such sale, shall be applied on any balances or charges owing to us from you and the balance, if any, shall be remitted to you.

All insurance shall be in amounts not less than $2 million in the aggregate. Buyer shall cause Seller to be named as an “Additional Insured” on all policies of insurance. Any failure by Seller to obtain proof of “Additional Insured” status shall not be deemed waiver of such requirement. Buyer shall direct its insurer to notify Seller in writing immediately upon receipt from Buyer of, or upon its insurer giving to Buyer of, any notice relating to the non renewal, cancellation, change to or reduction in coverage of such insurance.
