Dear Kevin:

Congratulations on achieving the Illinois Manufacturers' Association  
Healthy Manufacturer Certification for 2020!

This certification was earned through participation in a 3-hour training by  
OSHA authorized instructors from the Illinois Manufacturing Excellence  
Center (IMEC) and proof that you have created a Healthy Workplace  
Plan that incorporates guidelines set forth by Centers for Disease Control and  
Prevention (CDC), Occupational Safety and Health Agency (OSHA), and World Health  
Organization (WHO).

You are encouraged to display the certificate at the site that was approved, on your  
website, and other corporate communications as reassurance to your employees,  
vendors and customers of your commitment to health and safety in the workplace.

If you have any questions or want the certification in electronic format, please contact  
Terri Graham, program director, at [tgraham@ima-net.org](mailto:tgraham@ima-net.org).

Sincerely,
